## PROTECTING GOD'S CHILDREN ZOOM WORKSHOP

**Click the link you received in the email invitation.**

**You may access the meetings one of two ways:**

- Click “download and run zoom” to execute the program from your computer (download and then click the .exe file to run)
- OR click “join from browser” to use the web application.

**If you are new to Zoom:**

- Click “Sign up for free” and follow the prompts.
- Check your email to activate the account and follow the next group of prompts.
- Click “Join a Meeting” in the upper right corner.
- Enter the meeting ID from the email invitation.

**If you already have a Zoom account:**

- Click “Open Zoom Meetings” if a dialog box pops up. If one does not, please choose one of the two options above for accessing the meeting.
- Click “Join with video” and “Join with audio.”
- Click “Gallery View” in the lower right corner.

Once you are in the Zoom meeting, the facilitator will share their screen to present the Protecting God's Children videos and you will have the opportunity to share in a group discussions regarding the content and your impressions.

If you encounter issues, please contact the facilitator who invited you to the session.

You must attend the entire Protecting God's Children meeting in order to receive credit toward your Prevent and Protect STL compliance requirements.
